#### From the station:

- **Tram:** Take the tram line B, in the direction of “Oxford”. Leave the tram at “cite internationale” which is the third stop. In front of you, you will see the Minatec complex (see Picture below). Pass via the security guard outside (Security gate for bag checking). Our building is the door “Maison Minatec”, so enter in the 50B building just after the security gate, Go to the first floor (stairs or elevator), Turn right and cross the corridor (150 meters) through a white door, Open the white door, The C203-C206 rooms is on the right.
- **On foot:** walk under the station via the tunnel towards Europol. At the top of the stairs turn right, walk along the road: avenue Doyen Louis Weil until the “Lycée International Europol”. The “Minatec” complex is opposite. The Inria building is in the right after the Security gate for bag checking. So enter in the 50B building just after the security gate, Go to the first floor (stairs or elevator), Turn right and cross the corridor (150 meters) through a white door, Open the white door, The C203-C206 rooms is on the right.
